Project Description and Statement of Need

Community needs assessments on health and quality of life conducted over the past 15 years in Santa Clara County report critically inadequate services for the elderly as well as the strain on family members caring for an older dependent. The Cupertino center of Live Oak Adult Day Services helps alleviate this demand for service. The agency serves frail elderly and dependent seniors, primarily from Sunnyvale, Cupertino and west San Jose, with a specialized program of adult day care consisting of recreation and social activities, arts and crafts, music etc. Nutritious, well-balanced meals and snacks are served to each client, with appropriate adjustments for diabetic, vegetarian and other special dietary needs. The center also provides respite and support services for clients' caregiver families, including counseling, informal case management, and Caregiver Support Workshops.

This project provides General Fund monies to the Live Oak Adult Day Services; additional CDBG funding are available project 825870.

Service Level

Seniors enrolled at the day care are all functionally impaired by an age-related physical or mental disorder. The majority of the agency's clients are at very low and low income levels. The agency anticipates serving 300 unduplicated clients per year.

Issues

Future year funding for outside group agencies is budgeted under 819720 - Human Services Outside Group Funding Support (GF).
